## Where:

Himalayan Institute  
Main Street Café  
630 Main Street  
Honesdale, PA 18431

## What is a Purple Pinky?

### Help Eradicate Polio from the Planet

In other countries, when a child receives a Polio vaccine, his/her pinky is dyed purple. This allows volunteers to be able to roam the villages and identify who has been vaccinated and who has not.

## Join Us on May 9th

10:00 a.m. – 4:00 p.m.

### Receive YOUR Purple Pinky-

Suggested donation \$1. About the cost of two doses of the vaccine.

3:00 p.m. – 5:00 p.m.

Purple Pinky Face Painting - For both children and adults! *FREE*

6:30 p.m. – 8:00 p.m.

### Spectacular Event - with Elias Thomas

In January 2009, Elias led 34 Rotarians from five countries to India. They participated in two National Immunization Days against polio, immunizing children in the state of Haryana, India. He shares his intimate experiences and answers questions about Polio and what Rotary is doing to eradicate it from the planet.

### Refreshments & Entertainment Provided

Suggested Donation: \$5- Includes Purple Pinky ID, refreshments and entertainment.
